# Work Based Learning

---

- Office of Work Based Learning at Del Tech- Mr. Bryan Horsey , Director
- [www.deowbl.org](http://www.deowbl.org)
- Association for Career and Technical Education- [www.acteonline.org](http://www.acteonline.org)
  - ACTE has “The Work-based Learning Division”- Lots of resources to help and explain WBL.
  - The WBLP course is funded through 509. Many schools are not registering kids in the course (even though they are completing WBL in some format) and missing out on the funding support.

# 509 Funding

---

- Please sign up for your most up to date 509 funding sheet to be calculated and sent to you. We just received the information and have begun the process of calculating the information for you. You will receive an email with the info as soon as possible.
- 509 funding is to support CTE programs through supplies, etc.
- See 509 Funding Basics PowerPoints on DACCTE Website.
