From the

Director's Desk!

What a great beginning of the school year it has been for us here. We have been visiting schools and seeing all the great opportunities you are providing students! Thank you for all you do. Speaking of great opportunities for students and community members, please take some time to nominate a deserving person for a DACCTE CTE Award. This is a great opportunity to recognize those that are making a difference and achieving within your CTE programs. All the nominating information can be found on the DACCTE website under the Newsroom/Awards tab. The deserving winners will be recognized April 20, 2023, at the Awards Ceremony. If there is any way we can assist you, please don't hesitate to reach out to us.

Thank you,
Chris Stahl

Spring 23 Updates

This past Fall we held our first DACCTE PD Night since 2019. The night was a success with many CTE teachers and administrators in attendance. The April PD night will be on PDMS for any educator to receive 2 clock hours recorded in DEEDS and will include an update from the Department of Education on current DOE CTE initiatives and Perkins info for administrators and teachers. The PD night is an opportunity to strengthen CTE knowledge and meet other CTE professionals. **See you there April 27, 2023, at the DE State Troopers Association Hall.**

The DACCTE website is a valuable resource for CTE educators. On the website you will find our school visit schedule, Council meeting information, Annual Report, and a myriad of other CTE information and links to DOE CTE resources.

DACCTE has now joined Facebook! Not only are we posting school visit pictures to our website, but we are also posting them to Facebook as well. We hope this will give CTE programs a place to show off great happenings?
