The Chair's Corner!

On behalf of the Council, thank you for all you do to support strong CTE programs in Delaware. We are always impressed by the great opportunities you offer students through CTE. Keep up the great work!

Thank you,

Dr. Karen Hutchison

From the

Director's Desk!

Some big changes are happening for us here at DACCTE. Mrs. Nichols in our office has retired! Mrs. Nichols has completed a career of service to CTE programs from behind the scenes! She has been directly involved in helping to advance CTE programs for more than 30 years. The impact is immeasurable and lasting. I can't thank her enough for her guidance, assistance, and friendship in helping me to transition to DACCTE. This leads me to welcoming Mrs. Breeding to DACCTE. Mrs. Breeding has jumped in with both feet and is a great addition to our office and its mission of advocacy! If there is any way we can assist you, please don't hesitate to reach out to us.

Thank you,
Chris Stahl

Fall 23 Updates

The Fall PD night will be on PDMS for any educator to receive 2 clock hours recorded in DEEDS and will include an update from the Department of Education on current DOE CTE initiatives and other CTE info. Be sure to be on the lookout for emails from Mrs. Breeding with topics and agendas! The PD night is an opportunity to strengthen CTE knowledge and meet other CTE professionals. **See you there November 30, 2023, at the DE State Troopers Association Hall.**

The DACCTE website is a valuable resource for CTE educators. On the website you will find our school visit schedule, Council meeting information, Annual Report, and a myriad of other CTE information and links to DOE CTE resources.

DACCTE has now joined Facebook! Not only are we posting school visit pictures to our website, but we are also posting them to Facebook as well. We hope this will give CTE programs a place to show off great happenings?
