The Chair's Corner!

On behalf of the Council, thank you for all you do to support strong CTE programs in Delaware. We are always impressed by the great opportunities you offer students through CTE. Keep up the great work!

Thank you,

Dr. Karen Hutchison

From the

Director's Desk!

What a great Fall and Winter it has been for CTE! We have been very busy getting out and assisting CTE programs through school visits, hosting professional development, hosting our first ever CTE Month Poster Contest, and a CTE Proclamation in the Delaware General Assembly! We are excited for all the great opportunities and happenings this school year in CTE! As we move into Spring, don't forget to be preparing for Perkins funding requests, etc. for the next school year. If there is any way we can assist you, please don't hesitate to reach out to us.

Thank you,
Chris Stahl

Spring 24 Updates

This February is National CTE Month© and in honor of that, the DE General Assembly passed HCR 110 through the Senate and House declaring February as Career and Technical Education Month in Delaware! We are very happy to have been a part of this process to recognize CTE! In addition to that, we hosted a CTE Month Poster Contest with our partners from DOE CTE and DOL. We are happy to announce that Maya Zhao from Redding Middle School won 1st place!

As we move throughout Spring and celebrate February as CTE Month, please don't forget that the Delaware Federal Perkins Plan is up currently for review and can be seen on the Delaware Pathways website. Be sure to continue the valuable conversations as Administrators and Teachers for the transparency and benefit of all CTE programs.

The Spring PD night is an opportunity to strengthen CTE knowledge and meet other CTE professionals. **See you there April 10, 2024, at the DE State Troopers Association Hall.**
