Re: Career and Technical Education Month® Poster Contest

This year's theme is "Turn Your Passion into a Profession"

Greetings Teachers and Administrators:

February is Career and Technical Education Month! To help celebrate the Delaware Advisory Council on Career and Technical Education (DACCTE), along with partners from the Department of Labor and Department of Education, is hosting a CTE poster contest. To recognize Career and Technical Education as an integral part of our educational system and economy, and to celebrate, we would like to showcase the amazing talent represented in CTE classrooms every day. The winning student poster will be used to celebrate CTE Month in Delaware.

Please read the Poster Specification and Rules carefully. Entry forms may be duplicated. Posters must be mailed to DACCTE (417 Federal St., Suite 143 Dover, DE 19901), (State Mail SLC: D321) or submitted digitally to caitlin.rozell@delaware.gov. All submissions must be postmarked or digitally sent by December 2, 2025. After receiving the entries, DACCTE will select a winning poster. The winner will be notified no later than January 23, 2026.

Your support for this poster contest, in recognition of students and Career and Technical Education Month, is appreciated. Please share this information with your faculty and students. If you have any questions regarding the poster contest, please contact Caitlin Rozell, DACCTE CTE Specialist at caitlin.rozell@delaware.gov.

Sincerely,

Chris Stahl
DACCTE Executive Director
