FALL 2025

ISSUES #54

THE CHAIR'S CORNER

On behalf of the Council, thank you for all you do to support strong CTE programs in Delaware. Welcome back for another great year! We look forward to assisting your programs in every way we can as we visit schools this year.

Thank you,

Dr. Karen Hutchison

From the

THE DIRECTOR'S DESK

DACCTE has moved! We had been preparing to move for the last year and this Summer we were able to consolidate our offices into one office in Dover. We are located in the Jesse Cooper Building which is on the "green" in front of Legislative Hall. We believe this move will position us to better fulfill our mission of serving career and technical education and the citizens of Delaware. This centralized location makes us more accessible to all CTE stakeholders. If we can ever be of assistance, please don't hesitate to reach out to us to let us know how we can better serve career and technical education.

Thank you,

Mr. Chris Stahl

FALL 2025 UPDATES

As the new school year begins, there are lots of professional development opportunities that are offered through local school districts, Delaware Department of Education, and various other organizations in many formats. I encourage every CTE teacher to mark their calendars for the professional development opportunities offered by DOE and DACCTE. The State PD Day hosted by the DOE CTE Workgroup promises to be filled with lots of sessions that any educator would find useful. One of those useful sessions will be led by DACCTE. We will focus on funding within CTE. Funding is an extremely important topic to understand and obtain a firm grasp of all of the intricacies that are unique to us here in Delaware. Whether you are a new teacher or an experienced teacher needing a refresher, this PD opportunity is for you.

Don't forget that DACCTE hosts professional development nights throughout the year as well as our Council meetings. All DACCTE dates can be seen below.

UPCOMING EVENTS

Council Meetings

October 9th, 2025

(PDMS Course #43675; Section #89554)

December 11th, 2025
