SPRING 2026

ISSUE #55

From the

THE DIRECTOR'S DESK

What a great start to the 25-26 school year! We were very fortunate to be able to get out to schools this past Fall and visit CTE programs throughout the state. While on those visits we have been able to see the great happenings in many schools.

DOE CTE Workgroup has been sending out communications about multiple CTE Program of Study Revisions. Be sure to participate in these revisions to help shape the future of curriculum. For more information on those revisions check out the CTE Cadre Bi-Weekly Newsletter sent out by Delaware Pathways.

Thank you,

Mr. Chris Stahl
