Evaluation Cycle- Spring

School Year- 2025-2026

School Surveyed/Visited- Cab Calloway School of the Arts

School District- Red Clay Consolidated

Members of the Delaware Advisory Council on Career and Technical Education are given the responsibility, by State Law, to monitor and evaluate career and technical education programs in Delaware. The purpose of program monitoring is to bring about program improvement for our CTE students. During monitoring visits, a DACCTE staff and Council member are joined by a CTE Education Associate from DOE when possible. The team visits schools to gather information on career and technical education programs so that constructive program improvement recommendations can be formulated and communicated to those who implement the programs.

School monitoring visits typically take place between September and June on a two-year rotation of schools. DACCTE members, as advocates for career and technical education, approach each monitoring visit with an open mind. Our role is to provide an unbiased perspective to help educators. Specifically, Council members use a monitoring questionnaire provided by Council staff as an interview guide when talking with school personnel. After conducting all the interviews, DACCTE Staff analyze all questionnaires and information gathered during the visit. After analysis of all available data, recommendations for program improvement are formulated and communicated to the appropriate agencies, organizations, and individuals. The results of the Cab Calloway School of the Arts CTE program visit are as follows:

- 3 teachers were interviewed, and 2 surveys were completed. 4 unduplicated contacts.

Survey/Interview Question	Data shows this area is being met	Data shows this area needs more focus	Data is inconclusive	Notes
	✓	✓	✓	
Pathways have sequenced courses	✓			Consider adding Business to HS.
Pathways are approved through DOE	✓			
English, Math, Science, Social Studies Integration into CTE coursework	✓			Academic areas are incorporated into lesson plans.
Facilities	✓			
Instructional Supplies and Materials	✓			
Instructional Equipment and Technical Support	✓			
Advisory Committee in place and supporting CTE programs	✓			MS should join HS Advisory.
CTSO available and participating in Local, State, Regional, and National Level	✓			BPA and TSA
Work-Based Learning Opportunities	✓			School Based Coordinator
Pathways prepare students for entry level positions after HS (credentialing, etc.)	✓			
Career Pathway Selection Process	✓			Guidance Led
WBL Plans/Documents on file between schools/employers	✓			School Based Coordinator
Programs receive Federal/State funding (Perkins/509)	✓			All programs receive funding.
Budget Availability/Development	✓			Budget process known, however, funding totals unknown.
3 Year Budget/Long Term Planning	✓			Plans discussed.
Demographics of classroom represent demographics of school	✓			

Conclusions

Teachers are enthusiastic and very supportive of their students and programs. They report that the programs are following Course Pathways/Program of Studies, Career and Technical Student Organizations are available, Advisory Committees are in place and beneficial to programs, demographics of the classroom represent the demographics of the school, and teachers are reflective of individual program strengths, weaknesses, and needs for improvement. Mr. Gray Bolden (Principal) is very supportive of all CTE programs.

Recommendations

- Pathway Course Offerings- Please consider adding the Business Program of Study to the HS course selections. It is offered in MS and the CTSO encompasses all grade levels.
- Funding- All teachers can encumber funds, purchase materials, etc., please ensure all teachers know the total funding amounts. This transparency will enhance program planning.

Educational programs visit by Mr. Stahl and Council Member Mr. Jester.

Respectfully Submitted,

Christopher B. Stahl
