FALL 2026

ISSUE #56

From the

THE DIRECTOR'S DESK

As the year gets off to a good start, we want to let you know that the new Career Cluster Framework is now in use for all Delaware CTE Programs of Study, which means new CIP codes are being used. 509 funding remains the same as in previous years. There are potential changes coming to school funding through the PEFC, and we will keep you updated with any information as best we can.

Be sure to attend professional development meetings this year for updates, and as always, please don't hesitate to contact our office with any questions.

Thank you,
Chris Stahl

FALL 2026 UPDATES

Lots of great opportunities in Delaware CTE this fall! Statewide CTE professional development will take place on September 15th, and at one of the sessions DACCTE will be sharing information on the importance of budgeting for your CTE program. DOE is also working through multiple statewide Program of Study revisions this year. Be sure to register in PDMS and watch for more information from DOE in their CTE Cadre Bi-Weekly Newsletter.

Remember that attending DACCTE Council Meetings can count toward clock hours. Dates are listed below, and PDMS information is available on our website.

Be on the lookout for our CTE Month Poster contest, information coming in October and poster submissions will be due in December.
